## WORK EXPERIENCE

**Brooklyn Technical High School**                                                          **Brooklyn, New York**
*Stage Manager*                                                                            *September 2022 – June 2023*
- Led the Brooklyn Tech stage crew in numerous onstage productions for the 2022-2023 academic year.
- Cooperated with several directors to ensure a smooth run of their productions through organizing cues and training the crew on set changes and stage technology.
- Facilitated communication between casts, musicians, crew, producers, and staff to keep all parties on the same page.

**Apollo Theater**                                                                                      **New York, New York**
*Lighting Design Intern*                                                                     *June 2022 – August 2022*
- Studied the art of lighting design and several techniques to establish varying settings and moods.
- Worked with a team of nine other interns to design an interactive experience displaying the harms of industrialization on nature.
- Assisted in weekly productions of *Amateur Night at the Apollo* through preparing the set and necessary musical instruments and tech.

## EXTRACURRICULAR

**Hunter College, Hunter Theatre Company**
*Lighting Designer*                                                                         *September 2023 – Present*
- Collaborated with the director to execute his vision for Hunter Theatre Company's original production of *Judge, Jury, and Executioner*.

**Brooklyn Technical High School, Filipino Culture Club**
*Secretary*                                                                                    *September 2021 – June 2023*
- Logged attendance of each club member and collaborated with other executives to plan events.

**Brooklyn Technical High School, Stageworks**
*Stagehand*                                                                                    *September 2021 – June 2022*
- Aided in productions through carrying out set changes, organizing props and costumes, and setting up necessary tech.
